

2018 Junior Golf

Junior Golf Clinics are an excellent way to introduce your child to golf, or continue the progression of what they have already learned within the sport. With professional instruction on the basic fundamentals, young players can learn to swing the golf club correctly as well as manage their own golf game on the course.

The Trails Junior Golf Program promotes a fun learning environment where our young golfers will be able to develop their own relationship with this great game. We will cover things such as basic principles of the golf swing, how to hit the golf ball, as well as rules and etiquette. Sessions will include practice time on the driving range and as much on course time as possible. We will have designated on course activities that promote decision making, accountability, and FUN!! There are specific drills we use to enhance the correct motions in the golf swing, as well as activities that engage the golfer in physical exercise. Additionally, we will have team contests, games, and challenge skills on the golf course. We not only want to teach our juniors how to swing the club, but play golf as well. If your junior has expressed any interest in the game, and is between the ages of 6-17, we would love the opportunity to teach them the game of a lifetime.

The Trails Junior Golf Program offers the choice of two, 3-day clinics. The first clinic will be Tues. - Thurs., June 5-7 and the second clinic will be Tues. -Thurs., July 10-12. These clinics will consist of one hour of instruction each day for each age group. The instruction will be led by Alan Hager, PGA Head Golf Professional, and Zach Armstrong, PGA Assistant Golf Professional. The junior golf play days will be on the scheduled Wednesday mornings beginning at 8:00 a.m. On the play days, the juniors will tee off in a block of tee times and play a number of holes for their respective age group. The fee for this year's program is \$225 and includes the clinic, play days, Jr. Club Championship entry, & Player Gift.

We also maintain a Trails Junior Golf bulletin board, located in the Golf Shop. This board will display any upcoming junior golf events, news, tips, etc. Thank you for your interest in our Junior Golf Program and we are looking forward to a great summer of fun and Junior Golf at The Trails Golf Club!
